Prashant Kumar

B.Tech CSE | Frontend Developer (Learning MERN Stack) | HTML,
CSS, JavaScript | Python & Data Science Enthusiast
Dehradun, Uttarakhand, India

Summary

I'm a 1st-year B.Tech CSE (Data Science) student, passionate about
web development and data analytics.
Currently building responsive and interactive web apps using HTML,
CSS, and JavaScript.
Exploring the MERN stack while also learning tools like Python, R,
and SQL as part of my data science journey.
I'm open to internships and collaborative projects to expand my
practical skills and industry exposure.
